Here's a fun way to raise money for your community group or organization... Sports, business, church, or hobby. Bring everyone to The Corner Bar. Pre-register for our "Dogs for Dollars" program. Then, enjoy. Order anything and everything on the menu you want. When you're finished, we'll tally it up, and pay 15% cash of your group's total food amount back to your group.

The more you eat, the more your group earns! Call or email Melissa Bitterman to learn more and schedule a date... mbitterman@rockfordcornerbar.com. And go ahead, order desert. You're doing it for the team.

Raise funds for your non-profit community organization or group, just by eating at The Corner Bar. For every dollar your group spends on food, we pay back 15¢ in cash. For you, it's more profitable than selling lemonade, and way less wet than a car wash.

Yes, The Corner Bar donates 15% of your organization's food purchases back to your organization. We'll cut you a check soon after the event. It's like earning money for eating!
